Gbenga Abiodun

Flutter & Kotlin Mobile App Developer | Android & iOS | Clean Architecture • Firebase • REST APIs
Lagos, Lagos State, Nigeria

Summary

I'm a Mobile Software Engineer specializing in Flutter and Jetpack Compose, with a passion for building fast, scalable, and visually polished applications. I develop high-quality cross-platform mobile and web apps with Flutter, as well as modern native Android experiences with Jetpack Compose. I enjoy transforming ideas into reliable, user-centric products by combining clean architecture, performance, and thoughtful design.

Experience

Clinivent
Mobile Engineer
March 2026 - Present (6 months)
Nigeria

I developed and maintained mobile applications at Clinivent, delivering scalable features, fixing bugs, and improving app performance and user experience.

Oaks Intelligence Limited
